

Technical drawings of the sink unit showing dimensions in inches and centimeters:

- Top View:** Overall width is 860 mm (33.85"). The distance between the centers of the two basins is 480 mm (18.89"). The width of each basin is 200 mm (7.87"). The depth of the unit is 500 mm (19.68"). The distance from the left edge to the center of the left basin is 147 mm (5.81"). The distance from the center of the left basin to the center of the right basin is 200 mm (7.87"). The distance from the center of the right basin to the right edge is 147 mm (5.81"). The depth of the left basin is 352 mm (13.85"). The depth of the right basin is 430 mm (16.93"). The distance from the left edge to the center of the left basin is 38 mm (1.50"). The distance from the center of the left basin to the center of the right basin is 200 mm (7.87"). The distance from the center of the right basin to the right edge is 38 mm (1.50").
- Side View:** The height of the unit is 304 mm (11.96"). The width of the left basin is 348 mm (13.70"). The width of the right basin is 405 mm (15.94"). The depth of the unit is 304 mm (11.96").
- Front View:** The width of the unit is 430 mm (16.93"). The depth of the unit is 352 mm (13.85").

Technical drawing of a rectangular plate with the following dimensions and features:

- Overall width: 900 35.43"
- Overall height: 480 18.90"
- Fillet radius: R10 / R0.39"
- Inner width (excluding fillet): 840 33.07"

Diagram of a rectangular plate with a circular hole. The plate has a width of 846.3331" and a height of 486". The hole has a radius of R10 and a diameter of $\varnothing 39"$. The hole is located in the top-left corner of the plate.

A black and white photograph of a closed, heavy-duty metal safe. The safe has two doors, each with a circular handle or lock mechanism in the center. The safe appears to be made of thick metal plates with visible rivets or bolts along the edges. The lighting is dramatic, highlighting the metallic texture and the central handles.

- Compatible con canastillo y tapa rebalse PUR
- Compatible con canastillo y tapa rebalse White Gold
